Hi Dan,

Sorry for the short delay on this. Attached are four documents for the October 9 Presentation:

- Presentation with Notes – this is intended to be the presenters version, where the notes can be used as a sort of script.
- Presentation with No Notes – if you plan to distribute the presentation to attendees, please distribute this version. The slide content is exactly the same.
- “Honorable Leaders” – the letter signed by Acting Administrator Wheeler, sent to tribes in September.
- Steps for Administering 404 – the attachment that was sent with the above letter providing an overview of the stages of assumption.
 - Both the letter and attachment are described within the presentation

Both presentations have been reviewed by our Deputy Division Director Mindy Eisenberg. Note that the title slides requires your input – we did not know the organization name to whom this will be presented. Please be sure that you have flagged the notes version of the presentation for review up your chain and apply any slide content edits to both versions before sending it outside the agency.

Let me know if you have any questions.

Best,

Brittany
